Know before you go

CPPUG Power Platform Hackathon | Saturday, October 10, 2026 | 9:00 AM to 4:00 PM

CPPUG means Calgary Power Platform User Group. How to get there, get in, and what to bring. Rules and scoring are in the Participant Handout.

Where

Microsoft Calgary Office, 110 9 Ave SW, Calgary. It is in the Le Germain office tower, across 9 Avenue from the Calgary Tower.

Getting in (the building is locked on Saturday)

- **Doors open at 9:00 AM.** Wait in the main lobby of 110 9 Ave SW. A volunteer meets you and brings you up in the elevator.
- **Running late?** Send David a message in the Meetup event chat. Someone comes down to get you.
- **Washrooms are in the hallway outside the office.** The office door locks behind you. Tell a volunteer before you step out so we can let you back in.

Parking and transit

Option	Where	Cost (estimate, check the sign)
Brookfield Place underground, Lot #35	225 6 Ave SW, about 3 blocks north	About $3.15 for 24 hours on the weekend
Surface lot	208 9 Ave SW, about 1 block west	About $5 to $15 for the day
CTrain	7 Avenue stations at Centre Street or 1 Street SW, a 5 minute walk	Regular Calgary Transit fare

Check in

Scan the QR code at the door, or fill in the registration form tonight: **https://forms.cloud.microsoft/r/B4kKv3YLdp**. It takes about two minutes. At check-in we ask your Power Platform skill level (1 to 5) so we can build balanced teams. No team? We match you. Can't use the form? Sign the paper sheet at the desk.

What to bring

- **A laptop and a charger.** Outlets are shared, so a short power bar helps.
- **A Power Platform environment.** Use your work or school environment only if your organization allows it. No environment? Sign up tonight for the free Power Apps Developer Plan (aka.ms/PowerAppsDevPlan). Organizers have a backup lab for anyone who has nothing.
- **An idea, or none.** Pick one of our prepared challenges (see the Challenge Case Studies) or bring your own.

In the room

- **Food:** breakfast and lunch are provided, and coffee is on site. Tell us at check-in about any dietary needs.
- **Wi-Fi:** guest Wi-Fi details will be on the whiteboard. A backup hotspot is available.
- **Help:** mentors walk the room all day. Ask early. Experienced builders are welcome to help other teams too.
- **Photos:** we photograph the demos and the closing. Tell a volunteer if you prefer not to appear.

Schedule

Time	What happens	Time	What happens
9:00 AM	Doors open, check-in, team matching	1:45 to 2:00 PM	Stop building. Hand in your team summary card
9:30 to 9:55 AM	Welcome, rules, challenge briefing	2:00 to 3:15 PM	Team demos
10:00 AM	Build starts. Plan and sketch for 30 minutes first	3:15 to 3:40 PM	Judges score. Everyone networks
12:30 PM	Lunch. Keep building if you like	3:40 to 4:00 PM	Awards, photos, and closing

Prizes. Two PPCC26 (Power Platform Community Conference 2026) passes from Microsoft, and Lego Clippy mascots. A pass covers the conference only. Winners book their own flights and hotel within about a week.
